Coronavirus Mask Selection Form

Student's Name: _____

With the passage of Resolution 2020-16 on July 31, 2020, the Thomas County Commissioners have opted out of the Kansas Governor's Executive Order 20-59. This leaves decisions about coronavirus-related safety measures in the hands of each individual district.

USD 315 *recommends* that all students wear masks or other face coverings while in school and at school functions, along with the use of other protective measures. USD 315 is not currently *requiring* the use of masks or face coverings. **Please note this policy is subject to change at any time as the school deems appropriate and necessary to respond to changing conditions.**

Your decision of whether to have your student wear a face covering will not impact any educational decisions for your student, including class selection or available services.

If you choose to have your student wear a face covering, you may provide the covering or you may contact the school for assistance obtaining coverings for your student. All face coverings must be appropriate in accordance with other school policies and should be cleaned frequently as recommended by public health guidelines.

Please select one of these options for your student:

_____ **My student will wear a face covering.**

_____ **My student will not wear a face covering.**

You may change this selection at any time by completing a new form and providing such form to the school office.

By signing this form, you represent that you have the legal authority to make this decision for this student.

Parent/Guardian signature: _____
